About Our Bakery

Great Harvest Bread is a dream come true for us! Since we purchased the bakery in 2014, we've been thriving off the energy involved in creating from-scratch baked goods every day. We love great-tasting, nutritious bread, and we believe in running a fun, community-based business. The best part of this business is not the things we make, but the people we make them for. Thanks for going local with us!

Peace, Love and Happiness from Gordo, Jess, Wynn, Wally, and Willa.
